

Tennis Players,

We look forward to seeing you next week.

Thank you so much for your patience as we collected USTA numbers in order to utilize that scheduling system to finish the draw.

A few updates:

1) The draws have been posted at:

<http://www.tnseniorolympics.com/tennis>

2) Round robins have been created for most divisions. Please be aware that many age groups have been combined. However, there is no way within the USTA system to note our unique age groups. Please reference the "Players by Age Group" document that has been posted so that you know which players are in your division.

On-site we will have the draws marked with age groups.

2) Match Location

Indoor Sports Complex

920 Heritage Way

Brentwood, TN 37027

These are indoor courts and please be aware that while spectators are welcomed, it is difficult to view matches through the window.

3) Withdrawals

We purposely moved tennis to a few days before most sports start in order to avoid forfeits. To be honest, we have lost players over the years due to frustration of lack of playing time and wasted trips in to find no opponent.

Therefore, we would appreciate you working with us to clear your schedule and make every effort to play.

For unexpected circumstances for withdrawals, please e-mail info@tnseniorolympics.com, AnnMarie.Flynn@williamsoncounty-tn.gov, and Jeff.Phelps@williamsoncounty-tn.gov. to ensure that the message is received during this very busy time period.

See you in Williamson County!
