NEXT SUMMER'S STATE FINALS

IMPORTANT INFORMATION! PLEASE READ!

Information and exact dates for the 2023 Tennessee Senior Olympics State Finals will be posted at www.tnseniorolympics.com by the end of the year.

To be eligible for the 2023 state finals, athletes must participate in a fall 2023 district event in most sports.

District participants will participate and qualify in age divisions that match the state finals age determination. Age at the district will be determined by the athlete's age as of December 31 of the next calendar year. Athletes must be 50 years old by December 31, 2023 to compete in the 2023 state finals.

For example, for the 2022 districts, age will be determined as of December 31, 2023. For the 2023 state finals, age will be determined as of December 31, 2023. This is to ensure that athletes are practicing and playing in the age group that they will be placed in at the summer 2022 state finals. For example, an individual who turns 50 on April 1, 2023 will play in the 50-54 division in the fall 2022 districts although he or she is 49. Athletes must be 50 years old by December 31 of 2023 year to compete in the 2023 state finals.

Open sports that do not require district qualification include archery, cornhole, cycling (5K and 20K), disc golf, the 5K and 10K road races, 5K Walk, racquetball, triple jump, pole vault, and the powerwalk. Sports not offered at your home district are also considered open. This list is subject to change by our board of directors. Notification of changes will be via e-mail.

Registration for the state finals will open in March 2023.

Details will be e-mailed to all district participants.

Visit www.tnseniorolympics.com for more information about the state finals.
