Next Summer's State Finals

Important Information! Please Read!

Information and exact dates for the 2025 Tennessee Senior Olympics State Finals will be posted at www.tnseniorolympics.com by the end of the year.

To be eligible for the 2026 state finals, athletes must participate in a fall 2025 district event in most sports.

District participants will participate and qualify in age divisions that match the state finals age determination. Age at the district will be determined by the athlete's age as of December 31 of the next calendar year. Athletes must be 50 years old by December 31, 2025 to compete in the 2026 state finals.

For example, for the 2025 districts, age will be determined as of December 31, 2025. For the 2025 state finals, age will be determined as of December 31, 2025. This is to ensure that athletes are practicing and playing in the age group that they will be placed in at the summer 2026 state finals. For example, an individual who turns 50 on April 1, 2026 will play in the 50-54 division in the fall 2024 districts although he or she is 49. Athletes must be 50 years old by December 31 of 2026 year to compete in the 2026 state finals.

Registration for the state finals will open early March 2026. Details will be e-mailed to all district participants.

Visit www.tnseniorolympics.com for more information about the state finals.

Rule Highlights

- 1) Have fun and participate in as many districts as desired!
Registration and payment required for each.
- 2) If an athlete is the only individual in his or his respective age group, he or she must play an exhibition match to qualify for the state finals and before medals will be awarded.
- 3) Athletes must pre-register for each sport. Events may not be entered at the last minute and on site. Sports must be checked on entry forms.
- 4) Individual Sports - Athletes must participate in each specific event to qualify for the state finals.

RULE FOR TRACK (added in 2018)

To combat fatigue and injuries that occur during our one day district events, our board has implemented these new rules:

Track

For every district running event completed, an additional running event may be entered at state (any distance may be chosen).

Examples:

If one district event is completed such as the 100m run, another event such as the 50m run may be added when registering for state.

If two district events are completed (such as the 400m and 800m run), 2 additional running events may be added when registering for state.

And so on.

Examples:

A 50 back competitor at the district may also register for the 100 back at state.

If two district events are completed (such as the 50 free and 100 fly), one additional free and one additional fly event at state may be picked up.

This allows district swimmers the opportunity to swim less than 6 events at district to change up events within the same stroke when registering for state. As a reminder, swimmers are limited to 6 swimming events at state competition.

- 5) Doubles Sports - Doubles partners who qualify at the district for the state finals should plan to play together. If one of the partners cannot attend, another qualified athlete in the same competition may be chosen. **Athletes who participate in ONE event (i.e. singles, mixed, or doubles) within badminton, bowling, pickleball, table tennis, tennis, and shuffleboard may sign up for all three events (except tennis - two events) if interested at the State Finals.**
- 6) Athletes will be required to check-in to events 10 minutes prior to their scheduled match. Game time is forfeit time will be upheld.
- 7) Team Composition Rule - Your team may be composed of players from all over the state, with no limits on how many are from each region. No team composition rule in effect.
- 8) Athletes are allowed to play on one team per team sport in districts that offer team events.

The Tennessee Senior Olympics rulebook may be viewed online at www.tnseniorolympics.com.
Please check this for a complete listing of all rules.
